16	NO WAY should the health dept. be considered!! You couldn't put in enough of renovations to make it a first class center! Use the Wallingford center as an excellent idea. Meriden and their thoughts are all outdated. Seniors need and deserve the best!!	4/20/2023 9:47 AM

38	If located on the same site, even though it will be easier for seniors to visit the HHSD, it will also mean less parking, more traffic for seniors. HHSD is for the general public, not just senior citizens, resources could be encumbered for seniors due to the programs run by the HHSD & the amount of general public traffic which may or may not occur such as Covid vaccines etc. Don't let them piggyback onto the facilities for seniors who have earned a quiet, clean, safe, peaceful facility that meets the needs of those who have worked & lived in this country all their lives. Its a right & a privilege that that we as elderly citizens deserve. I say let the HHSD find their own spot!	4/14/2023 3:46 PM

50	I do not feel they need to be together. There should be some kind of health services in the facility, shots or if someone has an issue but not for the entire city.	4/11/2023 10:20 PM
51	Please keep facilities separate	4/11/2023 3:26 PM
52	I am opposed to the entire health department being in the same building as the senior center. A nurse and the current health services offered are sufficient. Parking would be impacted if the whole health dept were there. Wallingford doesn't do that and they have a really nice senior center. I went there for tax services.	4/11/2023 2:14 PM

75	Health is a vital Department in the City - would love to see it in the same spot as the Senior Center.	4/4/2023 12:14 PM
76	Keep senior center separate from children programs. A community based center may be economical bur seniors deserve safe spaces, too.	4/3/2023 10:37 PM
77	I think that the two programs should be housed in the same facility. There is the opportunity for overlapping of services. It would also be conducive for new opportunities to develop within the 2 branches.	4/3/2023 6:29 PM
78	Meriden could be greatly improved by better biking and public transportation infrastructure. Moving away from cars will make a happier and healthier city!	3/31/2023 2:21 PM
